Professor Godfrey Ridout

Dear Professor Ridout:

When you are in a position to do so, would you kindly let us know whether or not Miss Parlow's Guarnerius is for sale and the price therefor. Also, Mrs. Lauru mentioned that Miss Parlow had an excellent collection of books and music. If you have a list of these items and they are for sale, we should appreciate an opportunity to look at the list.

Thank you for your courtesies.

Sincerely yours,

Daryl H. Pearson
